R & D Lamm

Technical features

Typologies

Folding tables.

Tilting tables.

Tops

20 mm thick rectangular table tops with laminate faced panelling and a chipboard interior, available in white, black finishes with matching ABS edges.

Other finishes on demand.

Available sizes: 140 x 80 cm., 160 x 80cm, 180 x 80

The tilting table has a unique unlocking system for the table top, which can be placed into a vertical position so several tables can be stacked in a row.

Structure

Tubular steel central structure, 50 x 30 mm, with a semi-matt white RAL 9010, semi-matt black RAL 9005 or semi-matt silver finish.

100 x 40 mm tubular steel legs with a semi-matt white RAL 9010, semi-matt black RAL 9005 or semi-matt silver finish.

Folded sheet metal feet, which are always fixed for the fixed or folding table and with double swivel wheels (65 mm. diam.) fitted with brakes for the tilting table.

Accessories

Table top coupling system.

Corner connections.

Trolley for transporting folding tables.
